Headline:
Becoming wet and quite windy. Feeling cold.

Today:
Cloudy with rain becoming more persistent and heavier later this morning and into the afternoon. Drier weather following this evening. The rain falling as snow on hills. Feeling cold in the strengthening easterly wind. Maximum temperature 9 deg C (48 deg F).

Tonight:
It will be rather cloudy with showery rain and hill snow. Some drier, clearer intervals will develop overnight. Fresh northerly winds. Minimum temperature 2 deg C (36 deg F).

Tuesday:
Rather cloudy start with further showers. Drier, brighter weather will extend from north to all parts later in the morning then sunny spells and just a few showers in afternoon. Maximum temperature 9 deg C (48 deg F).

Outlook for Wednesday to Friday:
The showery theme will continue for the rest of the week. Some heavier showers are likely but dry, sunny spells too. Staying quite cold with a frost risk at nights.
